### Community Update – Jedburgh & District – PS Ali Granger

Unfortunately, the Community Policing Team are losing PC Gary Chisholm, who leaves the Jedburgh Community Officer post on 19<sup>th</sup> May. He will be moving to firearms licensing and will be a great loss to the team, having been in Jedburgh for many years and a well-known community figure.

PC Chisholm is being replaced immediately by PC Bruce Anderson, who has previously worked in Jedburgh as a response officer and will be a great addition.

I attended a further St Boswell's community council meeting on 25<sup>th</sup> April along with Greg Aitken from Scottish Borders Council. The purpose of our attendance at the meeting was to engage with the local community regarding any concerns they may have about the St Boswells Fair, which this year takes place between 17<sup>th</sup> and 22<sup>nd</sup> July 2024. We aim to work in partnership with both the settled and travelling communities, as well as SBC to ensure the event runs as smoothly as possible.

School Link Officer, PC Tait-Logan has been busy in Jedburgh Grammar Campus with more visits from the British Army Youth Development Team delivering inputs focussed on team building, confidence, and resilience. She also has been delivering inputs to senior pupils for the New Driver Early Intervention Scheme, designed using a real-life example to make new drivers think about the potential risks of driving on the roads.

## Campaigns

### Motorcycle Safety

Our annual motorcycle safety campaign urges drivers to look out for motorcyclists as riders take to the road this summer. In 2023/24, there were 151 road deaths and 27 were motorcyclists. Motorcyclists make up around one per cent of all road users yet account for 14 per cent of deaths. Engagement and enforcement activity will take place throughout the spring and summer months using both marked and unmarked police vehicles. Police Scotland officers, including those from the national motorcycle unit, will be carrying out intelligence led patrols to engage with all drivers and riders.

### Rural Crime

We continue to provide security, crime prevention and livestock worrying advice to farmers and rural business. This can be requested by Farmers / Rural businesses using the [Contact Us Form](#) on the Police Scotland Website.

### Special Constables – Recruiting

With a long and impressive history, the Special Constabulary is a part-time, volunteer body consisting of voluntary officers with identical powers to that of police officers. As a special constable, you'll work alongside our police officers in your spare time – forging strong partnerships in the community, patrolling our streets, preventing crime, and interacting with all kinds of people to give back, keep your local community safe and make a real difference.

You can work full time and be a Special Constable in just 96 hours per year or a few hours a week. The role is diverse, demanding, and rewarding. You could be doing anything from policing a football match to assisting at a road accident. Special constables also police major sporting and public events and provide an excellent bridge between the Police Service and the public, representing both the community within the police service and the police service within local communities.

Special Constables can act as a positive force for change - bringing with them an extensive pool of skills, talents, experience, local knowledge, and diverse backgrounds - as well as enhancing the overall level of service provided by the police. So, whatever your walk of life, step forward now and find out how being a police volunteer could be the perfect fit to suit your lifestyle.

In March the Central Ticket Office ran out of parking tickets. The SBCAT has very few blank tickets left, which has affected the figures for this month. We will be given new ticket books as soon as they are available.

**RURAL ACQUISITIVE CRIME** – We continue to carry out static road checks in rural areas at all times of day to deter and detect rural acquisitive crime. 13 static checks were carried out throughout the Scottish Borders this month along with numerous hi-visibility patrols of rural areas..

At Monynut vehicle patrols and a quad bike patrols were completed on weekends with the following to report

On Sunday 7<sup>th</sup> April officers from SBCAT, ELCAT and Edinburgh conducted a joint day of action with patrols of Monynut and the surrounding area on quad bikes, off road motorcycles and off road motor vehicles. On this occasion no offences were detected.

However, the following day officers were conducting a mobile patrol at Monynut when a farmer made them aware of 2 young males driving a vehicle erratically and generally messing about endangering lambs. The vehicle was traced in the area and the driver was charged with careless driving.

**ANTISOCIAL BEHAVIOUR** – High visibility patrols have continued in targeted areas of the Scottish Borders to address concerns highlighted at these locations.

Similar high visibility foot patrols are being completed across the Borders with a focus on Peebles, Innerleithen, Kelso, Newtown St Boswells and Burnfoot in Hawick due to youths causing ASB. As well as Jedburgh Sheriff Court on court days due to previous reported issues with members of the public.

On 15<sup>th</sup> April 2024, CAT officers following a report of a S127 comms offence towards a Borders MP, traced, arrested, interviewed and subsequently charged a male for the offence, with him being released on a undertaking to appear at court.

New legislation relating to fox hunting came into effect last year. The new laws have been compiled with across most of Scotland but there have been reports of offences in the Scottish Borders.
